

Urutare Youth Center

About Us

Who are we?

Urutare Youth Center is a community-driven organization established in 2020 in MUHANGA District with a focus on empowering and developing young people in Rwanda. Our center is dedicated to offering a platform for youth to explore their talents and build sustainable businesses, all while preserving the rich cultural heritage of Rwanda. Through a variety of entertainment, arts, sports, and educational programs, we provide opportunities for young individuals to reconnect with their potential and contribute positively to their communities.

Vision

Vision

To be a leading youth empowerment center that nurtures creativity, preserves culture, and provides transformative opportunities for young people in Rwanda to succeed and lead in their communities.

Mission

Mission

Our mission is to empower and support young people by providing a variety of programs that focus on sports, dance, arts, entrepreneurship, and education. Through innovative initiatives, we aim to help young individuals discover their passions, develop their talents, and build successful businesses while overcoming obstacles that may hinder their growth.

Our Services

Services We Provide:

Urutare Youth Center

1. Sports Programs:

We provide a variety of sports activities, including football, volleyball, basketball, and athletics, designed to promote teamwork, physical fitness, and discipline.

2. Dance & Arts Competitions:

We organize modern and traditional Rwandan dance events and arts competitions where young people can showcase their creative talents and be recognized for their skills.

3. Entrepreneurship and Business Development:

We offer business mentorship, training sessions, and workshops to help young entrepreneurs develop practical business skills and start their own ventures.

4. Educational Support:

We offer reintegration programs for children who dropped out of school due to early pregnancies or other challenges, providing them with access to alternative education and vocational training opportunities.

5. Mentorship Programs:

We connect young people with experienced mentors who guide them through their personal, academic, and professional journeys.

6. Community Outreach:

Through various community events, we aim to create a positive impact on society by encouraging youth engagement in local social causes and promoting leadership skills.

7. Cultural Awareness Programs:
